Re: Two Members of Council Needed to Serve on the City's FY 2017 Budget Commission

Pursuant to Section 2-1852 (1)(b) of the Atlanta Code of Ordinances, you are hereby notified that there are two positions on the City's Budget Commission that are to be filled by two members of Council. Prior to the Budget Commission's convening to consider the FY 2017 Budget, these two members of Council must be nominated and confirmed by the Council to serve a one-year term in accordance with Section 6-301(a) of the City's Charter.

Should the Council choose to nominate from the floor and vote to select two of its members to serve on the Budget Commission today, please be advised that Section 2-1852 of the Code of Ordinances must be adhered to; thus a two-thirds affirmative vote of the total membership of the Council is required to consider the appointment at the same meeting at which it is introduced, sounded or announced. Thereafter action on the appointment shall only require a simple majority vote.

Thank you.
