**►(HELD 6/29/19 FOR WORK SESSION)**

WHEREAS, the City of Atlanta’s Department of Procurement is charged with procuring supplies, construction, professional, real estate and consultant services for the City; and

WHEREAS, pursuant to Ordinance 15-O-1478 the Department of Procurement was consolidated to ensure that all purchasing and contracting activities are performed under the authority of the Department of Procurement to standardize procurement procedures, processes, and responsibilities, and decrease the duplication of procurement functions throughout the City; and

WHEREAS, the Chief Procurement Officer recommends an amendment to section 2-1190 of the City’s Code of Ordinances.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA as follows:

SECTION 1: That Chapter 2 - Administration, Article X, Procurement and Real Estate Code, Division 4, Source Selection and Contract Formation, Section 2-1191.1 of the City of Atlanta Code of Ordinances be amended so that it shall read as follows (with permanent deletions in strikethrough font and permanent additions in bold underlined font):

Sec. 2-1191.1. - Special Procurements.

Notwithstanding any other provision of this code, the chief procurement officer may initiate a ~~procurement above the small purchase amount specified in section 2-1190~~ where he/she determines that an unusual or unique situation exists that make the application of all requirements of competition ~~competitive sealed bidding or competitive sealed proposals~~ contrary to the public interest and such procurement does not technically qualify as a sole source procurement under Code section 2-1191. If determined as appropriate by the chief procurement officer, any special procurement under this section shall be made with such competition as is practicable under the circumstances; provided however, that the chief procurement officer may determine under appropriate circumstances that there is only one logical choice as to a contractor to provide the goods or services necessitated by the special procurement. A written determination of the basis for the procurement and for the selection of the particular contractor shall be included by the chief procurement officer in the contract file. Nothing in this section shall eliminate the chief procurement officer's obligation to present the recommendation of award of any contract procured under this section to city council for approval, prior to execution of the contract, when the value of the contract exceeds \$100,000.00.

SECTION 2: The amendments contained in this Ordinance shall be effective immediately upon approval.

SECTION 3: That all ordinances or parts of ordinances in conflict herewith be and the same are hereby waived to extent of the conflict only.
