SHEPERD TO AMEND THE CODE OF ORDINANCES OF THE CITY OF ATLANTA BY CREATING A NEW ARTICLE IN CHAPTER 46 "CIVIC AND CULTURAL AFFAIRS" WHICH IS TO BE KNOWN AS "MURALS ON PRIVATE PROPERTY"; AMENDING SECTION 16-28.025 OF THE 1982 ZONING ORDINANCE TO RESERVE SAID SECTION FOR FUTURE USE; AND FOR OTHER PURPOSES.(THIS LEGISLATION IS A DUAL REFERRED ITEM AND WILL BE FORWARDED TO ZONING COMMITTEE PENDING A COMMUNITY DEVELOPMENT/HUMAN SERVICES COMMITTEE RECOMMENDATION) ►(HELD 1/23/18 BY THE COMMITTEE FOR A WORK SESSION TO BE SCHEDULED.)**

WHEREAS, the installation of non-commercial artistic expression on private property in the City of Atlanta ("City") promotes the public welfare by encouraging artistic and cultural expression, fosters a sense of pride in the City and its neighborhoods, and allows for depictions of the City's history and culture; and

WHEREAS, the City has a significant governmental interest in promoting non commercial artistic expression and has a history of encouraging such artistic expression through a variety of City-managed programs; and

WHEREAS, the City's promotion of non-commercial artistic expression that is located on private property and visible to the public must consider additional significant governmental interests such as: protecting public safety, including traffic safety; creating an aesthetically pleasing environment and enhancing the appearance of the City; controlling nuisance graffiti; maintaining safe ingress and egress to buildings and other structures; avoiding interference with the operations of neighboring businesses; preserving the quiet enjoyment of adjacent property or property from which such expression is visible; and maintaining the tranquility of residential areas; and

WHEREAS, it is in the best interest of the City to create, codify and implement a permitting process for murals on private property that are visible to the public, whereby the process encourages the installation of murals, ascertains that the mural is non commercial, preserves public safety and promotes the other governmental interests listed above; and

WHEREAS, it is in the best interest of the City to amend the current City Ordinance that establishes the procedure for authorizing non-commercial displays on private property (located in the Zoning Ordinance, section 16-28.025, Public Art), and to re locate the amended procedure to Chapter 46 of the City Code, entitled Civic and Cultural Affairs.

THE CITY COUNCIL OF THE CITY OF ATLANTA, GEORGIA HEREBY ORDAINS as follows:

SECTION 1: Section 16-28.025 of The 1982 Zoning Ordinance entitled "Public Art" is hereby

DELETED in its entirety, and is REPLACED with the following:

Sec. 16-28.025 - Reserved

SECTION 2: The Code of Ordinances of the City of Atlanta is amended at Chapter 46 entitled Civic and Cultural Affairs by adding a new article entitled "Murals on Private Property" which is to read as follows:

ARTICLE V -MURALS ON PRIVATE PROPERTY Sec. 46-200 -- Findings, Purposes and Intent

The City of Atlanta finds that non-commercial murals that are located on private property and are visible to the public, directly affect the public health, safety, and welfare of the City. The purpose and intent of this article are as follows:

- (1) To encourage the installation of murals on private property as a vital part of Atlanta's urban landscape.
- (2) To ascertain that private property murals do not create unsafe distractions to drivers and jeopardize public safety.
- (3) To ascertain that murals on private property are not commercial.
- (4) To maintain for the city's residents, workers and visitors an aesthetically attractive environment and to advance the aesthetic and cultural interests of the City.
- (5) To preserve the value of property located adjacent to the property where a private property mural is erected.
- (6) To effectively balance legitimate efforts of property owners to display murals with the public safety needs and aesthetic interests of the City.
- (7) To protect free speech rights provided by the Constitution of the State Georgia and the United States Constitution.
- (8) To inform and answer questions of the residents and business located in the neighborhood where a private property mural may be installed with the goal of developing neighborhood pride regarding the mural.

Sec. 46-201 -- Definitions.

The following words, terms and phrases, when used in this article including without limitation Section 46-200, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

- (a) Commercial message or commercial speech means any wording, logo or other visual representation that draws the public's attention to a particular product to

promote the product's advertisement and/or sale. For the purpose of this article, the presence of an economic motivation by the speaker shall be non-determinative evidence that the expression constitutes commercial speech.

(b) Mural means a hand-painted, hand-tiled, or digitally printed image which: 1) is on the exterior wall of a building located on private property; 2) is visible from a City park, sidewalk, street or other right-of-way; 3) does not contain any commercial message; and 4) does not fit within the purview of the City's Sign Ordinance as described in Section 46-202(b) below.

(c) Private property is, for the purposes of this article, real property located within the City of Atlanta that is subject to the City's laws, including without limitation the Zoning Code, and which is not owned by the City of Atlanta.

(d) Sign Ordinance refers to Chapter 16-28A of the Zoning Code as well as any other parts of the Zoning Code which regulate the display of commercial messages as well as any amendments thereto.

Sec.46-202 --Permits Required for the Installation of Murals.

(a) A mural may be installed on private property only after the issuance of a permit in accord with this article.

(b) All commercial messages shall be regulated by the Sign Ordinance. In addition, the Sign Ordinance shall regulate all displays of non-commercial messages which qualify under the Sign Ordinance as a substitute for a commercial message display. Where a proposed mural has mixed commercial and noncommercial messages, the mural shall be deemed commercial, the Application (as defined in Section 46-203 below) shall be denied, and the limitations of the Sign Ordinance shall apply to the entire display and not just to the portion that contains a commercial message.

(c) The name of the artist creating the permitted mural and the name of a sponsor may be displayed on an adjacent plaque or similar display that is no more than two square feet in area and less than 60 inches in height provided that such plaque or adjacent display is made a part of the mural application.

Sec. 46-203 -- Permitting Procedures.

(a) Form of the Permit Application. Before a mural may be installed, an Application for Mural Installation Approval (the "Application") shall be submitted to the City of Atlanta Office of Cultural Affairs with a sufficient number of copies, as prescribed by the Office of Cultural Affairs, to allow simultaneous routing for the certifications required by this article. The Application form shall

be created by the Office of Cultural Affairs and the form of the Application may be amended as necessary to carry out the intent of this article, and shall require that the following information, without limitation, be provided:

3

(1) The property address and Fulton or DeKalb County parcel identification number where the proposed mural will be located;

(2) A site plan setting forth in detail where the mural is to be located on the property, its overall dimensions, the materials to be used and the location of any plaque identifying the artist and/or the sponsor;

(3) The artist's statement describing the proposed mural;

(4) A photograph or detailed reasonably accurate graphic of the proposed mural;

(5) A notarized statement signed by all property owners of record that they: 1) have reviewed the Application including the photograph or detailed reasonably accurate graphic of the proposed mural; 2) agree to the installation of the proposed mural on their property pursuant to the details set forth on the Application; 3) approve the submission of the Application; and 4) have read and understand the requirements of the mural ordinance

(6) The resume of the proposed mural's artist and, if attribution is to be made on the permitted plaque, the text of such attribution;

(7) The name of any sponsor of the mural if the sponsor is to be identified on the permitted plaque;

(8) The Neighborhood Planning Unit (NPU) where the proposed mural will be located.

(b) Routing of the Permit Application. The Office of Cultural Affairs shall forward a copy of a completed Application to each of the offices which provides the certifications necessary for the processing of the Application within ten (10) days after such Application is deemed complete. Each official who is empowered to make a determination under this article may delegate the making of such determination to another employee in her or his office. After receipt of an Application, the Office of Cultural Affairs shall inform the applicant in writing or by electronic mail within ten (10) days whether the Application is complete. It shall be the duty of the applicant to respond to the Office of Cultural Affairs and complete the Application in a timely manner.

(c) The timeframes and deadlines established in this article that pertain to the City only, and not to the public, are administrative timeframes and deadlines only. In the event that one of these internal City timeframes or deadlines is violated, such violation shall not affect the rights or remedies of a citizen or other person outside of City government.

4

Sec. 46-204 -- Certifications.

The Application must receive the following two certifications before it may be submitted to the City Council for legislative approval. The certifications are intended to assist the Council with its determination that the interests set forth in Section 46-200 above have been met:

(a) Non-commercial message. Within thirty days of the receipt of the Application from the Director of the Office of Cultural Affairs, the Executive Director of the Urban Design Commission shall determine whether the proposed mural is commercial speech or contains a commercial message as defined in this article.

(1) A finding that the proposed mural is not commercial speech and does not contain a commercial message shall be certified by the Executive Director of the Urban Design Commission and the certification shall be transmitted to the Office of Cultural Affairs within the time required.

(2) A final decision by the Executive Director of the Urban Design Commission that the proposed mural is commercial speech or contains a commercial message shall likewise be transmitted to the Office of Cultural Affairs by the Executive Director of the Urban Design Commission within the time required.

(3) The display of the name of the artist or the sponsor on the plaque permitted by this article shall not cause the mural to be deemed commercial speech.

(4) The determination that a display contains commercial speech shall result in denial of the application.

(5) Where an applicant disagrees with the final decision of the Executive Director of the Urban Design Commission that the proposed mural is commercial speech or contains a commercial message, and does not wish to amend the Application or obtain a sign permit, the applicant may appeal the administrative determination of the Executive Director of the Urban Design Commission to the Superior Court of Fulton County by filing an appeal of the administrative decision within thirty (30) days of the date that the final decision is transmitted to the applicant in writing, or by invoking another appropriate remedy in a court of competent

jurisdiction.

(b) Traffic hazard determination. Within thirty days of the receipt of the Application from the Office of Cultural Affairs, the Director of the Office of Traffic and Transportation shall make a determination of whether the proposed mural is a traffic hazard or will create an undue and dangerous distraction to motorists.

5

(1) A finding by the Director of the Office of Traffic and Transportation that the proposed mural does not create a traffic hazard or will not create an undue and dangerous distraction to motorists shall be certified by the Director of the Office of Traffic and Transportation and the certification shall be transmitted to the Office of Cultural Affairs within the time required.

(2) A final decision by the Director of the Office of Traffic and Transportation that the proposed mural creates a traffic hazard or an undue and dangerous distraction to motorists shall likewise be transmitted to the Office of Cultural Affairs within the time required.

(3) Where an applicant disagrees with the final decision of the Director of the Office of Traffic and Transportation that the proposed mural creates a traffic hazard or an undue and dangerous distraction to motorists and does not wish to amend the Application, the applicant may appeal the administrative determination to the Superior Court of Fulton County by filing an appeal of the administrative decision within thirty (30) days of the date that the final decision is transmitted to the applicant in writing, or by invoking another appropriate remedy in a court of competent jurisdiction.

Sec. 46-206 -Presentation of Application to Neighborhood Planning Unit.

(a) After the required certifications have been obtained in a manner which allows the application to proceed, the Office of Cultural Affairs shall notify the Office of Zoning and Development to place the Application on the meeting agenda for the Neighborhood Planning Unit ("NPU") where the proposed mural is to be located. The Application shall be placed on the agenda for the earliest NPU meeting that takes place at least ten (10) business days after the Office of Zoning and Development receives notice from the Office of Cultural Affairs.

(1) For the purpose of this section 46-206 only, the term Applicant shall mean the person who signed the Application, the proposed mural's sponsor, the proposed mural's artist, the property owner where the proposed mural will be located, or any combination thereof. If the Applicant is a corporation, it may be represented by the chief executive officer or other person with authority to bind the corporation.

(2) The NPU may defer consideration of the Application at the Applicant's request.

(b) Within (7) business days of the NPU meeting at which the Application is presented, the NPU shall forward its recommendation to the Office of Cultural Affairs . Should the NPU fail to forward a recommendation within the prescribed seven (7) day period, the Applicant may, in lieu of such recommendation, submit an affidavit to the Office of Zoning and Development testifying that the application was presented to the NPU.

6

Sec.46-207 -Approval of Applications.

Upon the return to the Office of Cultural Affairs, the Director shall review the application and the proposed mural for obscene content. Obscene content is defined as any depiction of sexual conduct in a patently offensive way that lacks any artistic value.

(c) If the mural does not contain any obscene content and all certifications required by this article and the NPU recommendation has been received, the Office of Cultural Affairs shall issue the permit to the Applicant.

Sec.46-208 -Murals Not Subject to Sign Ordinance Size Limits

A mural that has been approved as set forth in this article shall not be considered a sign and not subject to the limitations set forth in the Sign Ordinance.

Sec.46-209. Penalty for violation.

Any person who violates this chapter shall, upon conviction, be subject to penalties as provided in Part I, § 1-8 of the City of Atlanta Code of Ordinances.

Sec.46-209 -46-299 - Reserved

Section This ordinance shall become effective when approved by the Mayor or as otherwise provided by operation of law.
