WHEREAS, Resolution 13-R-3269 authorized the creation of the Employee Compensation Technical Advisory Group ("ECTAG") for the purpose of identifying recommendations to create a long-term, sustainable employee compensation strategy for the City of Atlanta ("City"); and

WHEREAS, ECTAG has met several times over the past two years to discuss a comprehensive, sustainable compensation policy for employees that will benefit taxpayers and employees of the City; and

WHEREAS, employees across the City have experienced salary compression over the past several years, which is a situation that occurs when there is only a small difference in pay between employees regardless of their skills or experience; and

WHEREAS, the members of ECTAG recommend that the City identify salary compression issues as they relate to General non-sworn employees; and

WHEREAS, ECTAG believes that the Department of Human Resources should work with the unions representing many General employees and affected Departments to identify the most significant and immediate salary compression concerns among General non-sworn employees in various Departments across the City.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ATLANTA GEORGIA, as follows:

SECTION 1: The Commissioner of Human Resources shall submit a report that is agreed by the Presidents of the American Federation of State, County, and Municipal Employees (AFSCME) and the Professional Association of City Employees (PACE) on a way to address salary compression for general non-sworn employees across the City. This plan should be

submitted to the Clerk of Council as a Communication from the Department of Human Resources, shall be signed by the three parties, and read by the August 17, 2015 meeting of the Atlanta City Council. This plan will be referred to the Finance/Executive Committee for consideration.
