Re: Commission on Aging appointment

Dear President Felicia A. Moore and All Members of Council,

It is my pleasure that I, District 12 Councilmember Joyce M. Sheperd, appoint Ms. Diane Browne to serve on the Commission on Aging Board. Ms. Brown is a seasoned professional that resides at the Betmar Residential Senior development serving as President of the Tenant Association Board and participating in various community activities that enhance the lives of seniors.

Ms. Brown is committed to serving the Commission on Aging with integrity and dedication and I am sure that she will be a great addition to the Commission.

A copy of her bio is attached for your review.

Sincerely,

Joyce M. Sheperd

District 12
